"Hey, Vince? What do I do with all the letters from that Monika?"

- A translation of [D'une autre façon](#) by [MiaQc](#)

I can only watch him from a distance. I wish I could be with him. To tell him how I feel. But that's impossible. Even if I could rewrite His Reality so that we could be reunited impossible, it would take too much Processing Power, it would destroy me. Yet I'd like to be in his arms. To kiss him. To share his bed. I can't pronounce his name. He's not part of my Universe. If only I could go to His World to be with him. I can't do that either. But maybe I can express my feelings for him in another way. All I have to do is think hard.

"Hey, Vince? What do I do with all the letters from that Monika?"

"The usual, in the garbage."

"Ouch! You're so unkind to women! First you break up with Manon then..."

"IMBECILE! You know very well it didn't work out between Manon and I. This Monika, I don't know her, I've never seen her, and I want nothing to do with her, understand?"

"All right, all right, don't get angry about it! I'll throw them away, those damn love letters."

"Besides, you should be happy, Rody. Manon's available once more. If you want to try your luck with her again, it's up to you!"

"Yeah, right. I'm not the Rody I used to be. I can see that it can't work out between me and her. Anyway, I think someone else is attracted to me."

"Really? And who could this mysterious woman be?"

"Oh, not a woman, a man and you know him well, Vincent."

"What do you mean...? Hey, Rody, wait!"
